A SERMON ON "SIN"

REV. HALE TALKED ON THAT SUBJECT AT HANNIBAL, MO.

THOUGHT NOT ACTION

Is the Sin, Says Rev. Hale—Trouble is Back of the Act—A Night Force to Define.

A report of the revival services in progress at the Fifth Street Baptist church at Hannibal, Mo., in the Daily Courier-Post of that city, speaks highly of the preaching of Rev. Lewis M. Hale of the Maryville Baptist church, who is assisting his brother, Rev. George Hale, the pastor at Hannibal.

The Daily Courier-Post said his sermon on "Sin" Tuesday night was one of the best ever delivered on that subject in Hannibal. Thirty-seven had united with the church by conversion after the Tuesday night service. Twenty-minute prayer meetings are held each evening prior to the regular evangelistic service.

The singing of a large chorus choir is one of the main features of the meeting. A synopsis of the sermon on "Sin" by the Maryville minister is as follows:

In beginning his sermon, Rev. Hale said that the discussion of sin was made difficult by the fact that people do not understand sin. "The first question, "What is sin?" is the hardest for us to answer," said Rev. Hale. "It is the hardest question for men who study sin. There is no definition for sin in the Bible. In the book of John sin is termed as lawlessness. Very few have come to realize what sin is and what sin has done. Some people confuse sin with action. Suppose I go out in the street and shoot a man. Is that sin? No it is not sin. The previous thought has brought the action and the thought is the sin. I believe that sin is such a mighty force that it cannot be defined.

"The trouble lies back of the act or the thing that a man does. If you harbor in your heart a desire to kill a man and even if you do not commit the murder that is sin. A man is a sinner by nature. The act is that brought from sin in a man. Whosoever keepeth the whole law, with the exception of a single transgression, is guilty of all. The man who in the least respect violates God's law shows his sinful nature. I cannot define his sinful nature. I cannot define sin but it is some power in the heart, and sin will have its way unless it is taken out of man's life by the power of God."

The next question, "Who has sinned?" was then taken up by the minister. In answering this question Rev. Hale quoted Paul, who said that all men have sinned and have come short of the glory of God. "Paul does not mean," said Rev. Hale, "that every man would steal or would commit murder, but he means that the great vital principle is in all men. The first great commandment is 'Thou shalt love the Lord thy God with all thy mind and strength and thy neighbor as thyself. Measure yourself by God's standard and see if you can keep His commandments—if you cannot do this you stand before God condemned.

"What is the penalty? Go back and hear what God said to Adam and Eve in the Garden of Eden. Adam and Eve did eat of the tree. I believe in a heaven and I believe in a hell. Spiritual death is the separation from God. Heaven is a place where God's will be done—a place of perfect harmony. Sin is a rebellion against God. If there was a single rebellious soul in heaven it would cease to be heaven because there would be a lack of perfect harmony. Separation from God is the punishment of sin.

"How can we escape the penalty? It is only by the power of God that we can escape the penalty. The only thing for a man with sin in his heart to do is to go to the Great Physician and to commit himself to Him. God has not made it hard for a sinner to come to Him and be saved. The blood of Jesus Christ cleanses from all sin."

FIVE BIRDS FOR $200.

An Offer Made to Everman & Everman of Gallatin, Who Were Exhibitors at Maryville Show.

According to the Gallatin North Missourian, Everman & Everman of that city recently turned down an offer of $200 for five blooded chickens.

Everman & Everman were exhibitors at the Maryville poultry show and won a number of prizes here. The offer was made by E. M. Quay of La Porte, Ind., who was the judge of the Maryville show. The following is what the Gallatin paper says:

If a man were to offer you $200 for five blooded chickens, would you take it? That is what E. M. Quay of La Porte, Ind., a poultry man of national reputation, offered Everman & Everman, local poultry breeders, for five of their prize Rhode Island Reds. Everman & Everman turned the proposition down.

Mr. Quay was here last Saturday and Sunday, the object of his trip being to purchase these birds if possible. He is an authority on poultry and acts as judge in many of the big shows over the country. He was one of the judges at the Maryville poultry show held in December, and it was there he saw and became an admirer of the Everman birds. Mr. Quay handled the first Rhode Island Reds west of the Mississippi river, about eighteen years ago.

Mr. Quay, when asked about the Everman & Everman Rhode Island Reds, said: "They are the best I ever saw, and would take the ribbons at any show in the country."

"Do you think the Evermans were wise in turning down your offer?"

"Well, in a way they were and in another they were not," answered Mr. Quay. "If they are going to continue to raise these birds, it is probably better that they keep them and make their strain still better, though $200 would look mighty good to me for five birds."

Mr. Quay left here Sunday night for La Porte. He will return next December to take the Everman birds to the national poultry show at Chicago.

A DISTRIBUTING POINT.

Maryville is Being Recognized as a Good Place by Jobbers.

Maryville is fast becoming a distributing point for the northwest Missouri and southern Iowa territory, being located in the heart of the richest part of this country, and has awakened the manufacturers to the importance of this city as the strategical point from which to distribute their goods. The latest and most important move that has been made in this direction is the selection of this city as a distributing point by the Lincoln Paint and Color company, manufacturers of Lincoln climatic paints and finishes, and from this city products will be distributed to quite a territory tributary to Maryville.

T. J. Parle has completed arrangements whereby he wil carry the complete jobbing stock of the Lincoln products, sufficient to supply the demand of the territory tributary to Maryville. Mr. Parle will be represented in this territory by a competent paint salesman, who will not only sell paints for his jobber, but at the same time boost for Maryville and for every business interest that is represented in our community.

This paper believes that this new enterprise should have the full support of every fair minded citizen of this community. Let us pull together for the mutual interest of our city. Mr. Parle has done some hard work to induce the Lincoln people to locate their shipping point in our city. It costs our people not one cent, and all that is asked by the Lincoln people is good will. Put your shoulder to the wheel and help push this new industry.

CHAMPION IS HERE?

CONTEST ON FOR CHAMPION SUNDAY SCHOOL SCHOLAR.

WE STAND A GOOD SHOW

To Win as Any Number Have Been Regular Attendants of Sunday School for Many Years.

Is there in Nodaway county men or women who have attended Sunday school fifty or more years? Have we the champion Sunday school scholar?

A Sunday school record attendance contest has been started in Missouri by the St. Louis Republic to find who in the state has attended Sunday school for the longest period of time.

Maryville and Nodaway county has quite a number of people who have been regular attendants and workers for a great many years, and it would be interesting to know just how our county will stand with other counties in the state.

W. F. Smith, of this city, who has just closed a long record as a Sunday school superintendent, has a letter from the managing editor of the Republic, asking his assistance in getting the Sunday schools of the county enlisted in the contest to find out who is the champion Sunday school attendant in the county and possibly in the state.

The Republic is acting upon the suggestion of Rev. J. W. McKean, of Lebanon, Mo., president of the American Sunday School Union, and it may be the beginning of a world contest. At present only Missourians are eligible.

The time for the contest to close is set for March 31, and the prizes will be awarded on Easter Sunday. The contest has started up quite a good deal of interest in various parts of the state already, and one man has been heard from, Judge B. W. Wheeler of the Lincoln county court, who has attended the Presbyterian Sunday school at Troy, Mo., for sixty-three years, "not however," as he explained, without missing a Sunday occasionally from sickness or absence from home.

Another, John W. Mounce, of Hannibal, has attended Sunday school sixty-one years with only twenty-five absences. He is the teacher of the woman's bible class in the First Christian church in Hannibal.

Prizes will be offered to the scholar, more than 20 years old, who has attended Sunday school the longest without missing, and to the person less than 20, who has answered the roll call fifty-two or fifty-three Sundays in the year without absent marks.

The country people need not think that the city contestants will have an advantage over them. On bad winter days in the country when the roads are deep in mud or snow it is often a test of endurance to start out against a bitter wind for a trip of several miles. But there are Sundays in St. Louis, Kansas City and St. Joseph when the snow stops the street cars and the wires, heavily charged with electricity are down, and the Sunday school or student must have a sturdy heart to walk to the church.

The champion record contest that has been started by the St. Louis paper is awakening much interest in Sunday school work throughout the state and there is no reason why Nodaway county should not have a place in the contest.

Who is the champion Sunday school scholar in our county? On account of absent marks, some who have not attended Sunday school so many years may be able to make up for it in regularity.

In Attendance at Editors' Meeting.

J. F. Hull of the Tribune, left for St. Louis Thursday night where he will attend a meeting of a number of newspaper men from over the state.

Preaching in Barnard.

The regular preaching service at the M. E. church, South, at Barnard, next Sunday, January 18, will be at 11 a. m., instead of 7:30 p. m., and at Pleasant Grove at 7:30 p. m. instead of 11 a. m.

TO JOIN NEW BANK

THE FIRST NATIONAL IN THE FEDERAL RESERVE BANK.

FAVOR OF KANSAS CITY

As a Regional Bank Center—First National to Take $7,200 Stock as Required by Law.

At a meeting of the stockholders of the First National bank of this city, held this week, it was decided by that bank to join the federal reserve bank. Stock to the amount of $7,200 will be taken in the reserve bank, as is required by law, being 6 per cent of the capital stock and surplus.

As is required by law, all national banks have to join the federal reserve bank. With state banks it is optional. The other banks in Maryville will probably not join at this time and will wait to see how the new plan will work.

The First National bank is in favor of Kansas City as a regional bank center. There are two cities in Missouri that are contesting for a regional bank, St. Louis and Kansas City.

Ninety Years Old.

Grandpa E. V. Roof of Parnell was 90 years old yesterday. Think of it! He has traversed the Platte purchase when the Indians had scarcely left this part of the country and preached at the little church or school house that were few and far between. He has certainly been a grand and good man, but his four score and ten years have fallen heavily upon him. May he live to see many more birthdays.—Parnell Sentinel.

Meeting Held at Dr. Pollard's Office Thursday Afternoon and One Committee Appointed.

A farmers' bank for Barnard is an assurance. A meeting was held at the office of Dr. M. M. Pollard Thursday afternoon to consider matters of organization, and was attended by quite a number of business men and farmers near Barnard. A capital stock of $20,000 has been agreed upon.

A committee composed of J. C. Hocker, I .C. Roelofson and R. P. Nelson was appointed to select a site for a new building in which to do business, to cost between $4,000 and $5,000. The committee appointed Thursday is expected to report at a meeting next week, when fuller announcement is expected concerning the proposed business.

WON PRIZES AT STATE SHOW.

E. L. Andrews Captured a First and Third at Columbia—Says Walking is Bad.

Mr. Andrews had on exhibition a pen of White and Buff Orpingtons and had strong competition in the show, as there were exhibits from all over the state.

100-POUND PARCELS SOON.

Postmaster General Burleson Planning Weight Increase.

Increase of the weight limit of the parcel post to one hundred pounds is being seriously considered by Postmaster General Burleson, it is learned.

Experiments with the recently increased weight limit have proved satisfactory. "I believe during the fiscal year, beginning July 1, 1914, we will transport approximately 600 million parcels and will derive a revenue of nearly ten cents each," said Mr. Burleson. "The 100-pound weight limit has no terrors for me," he added.

The weight limit for parcels now is fifty pounds in the first two zones and twenty pounds in the other zones.

The Federation Meeting.

The city federation met Wednesday afternoon in the Price McNeal rest rooms, with twenty members present. The president called for reports from the standing committees on club house civic improvement and philanthropy. The chairmen gave interesting and flattering reports, showing their work well in hand and progressing, as well as those of the special committees on the rest room and entertainment for securing benches to be placed in the court house square. The committee named to confer with Miss Hettie Anthony, head of the domestic science department of the Normal, in regard to a series of lectures in Maryville on Home Economics, reported that after due consideration Miss Anthony told the committee she did not consider it advisable. After the committee reports had been heard and passed upon Miss Helen Leffler gave a demonstration of soups, preparing two, a stock soup and a cream, and serving it to her hearers. Her demonstration was practical and scientific, and given so plainly that those unfamiliar with the scientific reasons for doing things, were enlightened and entertained as well. The demonstrator was perfectly at ease and talked with so much sense and reason, and answered questions as she went along with her cooking and stirring, that at the close it was unanimously decided to ask her to give a demonstration at the federation meetings for the next three months, club women to bear the expense attached. Miss Leffler made a good suggestion to the women, that of getting up competitive menus, the best and the cheapest, as good training in household economics. She is a graduate of Normal domestic science school and is fully able to do the part assigned to her.

Baptist Missionary Tea.

Mrs. E. L. Harrington was hostess for the Judson Memorial tea given Thursday afternoon by the Woman's Missionary society of the First Baptist church. Time it! Pape's Diapepsin will digest anything you eat and overcome a sour, gassy or out-of-order stomach surely within five minutes.

If your meals don't fit comfortably, or what you eat lies like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Get from your pharmacist a fifty-cent case of Pape's Diapepsin and take a dose just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, nausea, debilitating headaches, dizziness or intestinal griping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin is a certain cure for out-of-order stomachs, because it takes hold of your food and digests it just the same as if your stomach wasn't there.

Relief in five minutes from all stomach misery is waiting for you at any drug store.

These large fifty-cent cases contain enough "Pape's Diapepsin" to keep the entire family free from stomach disorders and indigestion for many months. It belongs in your home.—Advertisement.

NEWS OF SOCIETY AND WOMEN'S CLUBS

(Continued from page 2.)

Clark Andrews. The Bible lesson on prayer was ably led by Mrs. S. A. Helwig and all joined in singing "Nearer, My God, to Thee." A beautiful letter of personal greeting to the society from Mrs. J. M. P. Martin of Grand Junction, Col., the wife of a former pastor of the church, was read by Mrs. W. A. Burris. The subject for the afternoon was then taken up, Mrs. G. B. Holmes presiding in the absence of the president, Mrs. Eugene Ogden. Mrs. W. A. Bailey gave a comprehensive review of the subject, "The Judson Centennial Memorial Movement," giving a historic paper of the first foreign Baptist Missionary, Adonirum Judson, and of the tablet that has just been placed to his memory in the church walls at Rangoo, where he labored so many years. The celebration of his work commenced a century ago will be observed throughout the country through January, February and March. Mrs. Harrington gave a sketch of the intellectual development in India, and Mrs. Burris read of the consummation in social life. Mrs. Anderson Craig gave a short talk about the medal that has been made to interest the children and young people in the campaign. The inscription on one side of the medal shown was to the first American Baptist Foreign Missionary, his arrival, July 13, 1813; the other side, "Centennial of founding of the society, 1814-1914." Mrs. H. L. Raines then sang "Callest Thus Thou, O Master," by George A. Mietzke. The reading of a touching story, "The Proof of Love," an actual occurrence, was given by Mrs. Mary Owen. Miss Hazel Everhart sang "I Come to Thee," by Roma. The program closed with prayer led by Mrs. J. M. Ringgold. During the social hour a delightful luncheon was served. The visitors were Mrs. Delmar Coffman, Mrs. Emmett Scott, Mrs. J. F. Cook, Mrs. J. A. Spier, Mrs. May Denny and Mrs. M. R. Smith, the wife of the new jeweler at Crane's, who has located here from Excelsior Springs, and Mrs. W. C. Lane of Webster Grove, Mo., who is the guest of her sister, Mrs. Clive C. Graves.

IF CHILD IS CROSS, FEVERISH AND SICK

Look Mother! If Tongue is Coated, Cleanse Little Bowels With "California Syrup of Figs."

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely.

A child simply will not stop playing to empty the bowels, and the result is, they become tightly clogged with waste, liver gets sluggish, stomach sours, then your little one becomes cross, half sick, feverish, don't eat, sleep or act naturally, breath of bad, system full of cold, has sore throat, stomach ache or diarrhoea. Listen, mother! See if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup company." Refuse any other kind with contempt.—Advertisement.

Took Prizes at State Show.

Mrs. W. P. Nicholas of Burlington Junction received a telegram Wednesday night stating that she had taken fourth and fifth prizes on her White Wyandottes in the state poultry show. Since Mrs. Nicholas had but six fowls entered, she received the best prizes possible under the rules of the show, as it was necessary to have a large pen to win first, second or third prizes. Considering that she stood the best in the class in which her fowls were entered, Mrs. Nicholas is to be congratulated on her success, which is certainly encouraging. Burlington Junction and Nodaway county have fared well, indeed, at the state show this week.—Burlington Junction Post.

To Straighten the River.

The county court has agreed to cut a ditch through the M. A. Sewell land, near Skidmore, straightening the river south of the bridge, west of Skidmore, if the citizens of Skidmore will pay all damage to land owners and give right of way. This proposition has been accepted by Skidmore and Monroe township citizens, and a movement is now on foot to have the ditch cut at once before the spring rains.

This work is badly needed, as the river is cutting away the public road west of the bridge every year. It is also a damage to land along the river bend. The shortening of the river will greatly help in reducing the overflow in high water time. Everyone who uses this road should be interested in this movement.—Skidmore New Era.

FOR DELICATE CHILDREN.

A Mother's Letter to Mothers.

Mrs. E. W. Cooper of Bloomfield, N. J., says: "My child, seven years old, had a bad cold and was weak and quite run down in health. She had been in this condition for about six weeks when I began giving her Vinol. It was a wonderful help to the child, breaking up her cold quickly and building up her strength beside. I have also found Vinol a most excellent tonic for keeping up the children's strength during a siege of whooping cough."

Vinol is a wonderful combination of two world-famed tonics—the medicinal body building elements of cod liver oil and iron for the blood, therefore it is a perfectly safe medicine for children, because it is not a patent medicine, everything in it is printed on every package, so mothers may know what they are giving their little ones.

Therefore we ask every mother of a weak, sickly or ailing child in this vicinity to try Vinol on our guarantee. Orear-Henry Drug Co., Maryville, Mo. —Advertisement.
